Dear Dad

Mother took my bike to be fixed, but on the way backing out of her parking place the bike hit another car, that's nothing to what is coming now. She went over some bumps that pushed the trunk up 1 1/2 feet in the air and came down so hard it made a few dents in the fender and the bike's almost ruined.

Are you having fun, I was until today. I'm probably never going to be happy without a bike. I can't wait until you get home 'cause it's no fun without you.

"Have fun!"

Love Ted

P.S. Come home soon.

Bye now

Ted
